

Important Information regarding this offer

*APR=Annual Percentage Rate

1. Terms and Conditions: Convenience checks processed by June 30, 2024, up to your available credit limit, will receive the stated promotional APR which will remain in effect for 12 months after the date that the first eligible balance transfer transaction is processed. Convenience checks processed after June 30, 2024 and any unpaid promotional balance remaining after the end of the 12 month period will receive the standard APR for cash advances. There is a fee of 3% of the amount of the convenience check associated with the use of convenience checks. If you have a Rewards, Non-Rewards, or Signature Cashback card, this rate will vary with the Prime Rate. The attached convenience checks may not be used to pay off or pay down amount you owe to UICCU. When transferring a balance, you should continue to make your monthly payments to each creditor until you receive a statement from the issuer/merchant reflecting the balance transfer payment. All existing payment terms apply. Rates are subject to change. Each convenience check and balance transfer will be treated as a cash advance as described in your Credit Card Agreement and is subject to credit availability. Convenience checks are void after June 30, 2024. Like any check, these convenience checks are negotiable and should be destroyed if you do not plan to use them. If you have not activated your credit card, please call 1.800.527.7228 to do so prior to writing any convenience checks. Some merchants may not accept convenience checks and some merchants may inform you of their intent to convert your convenience check payment to an electronic ACH debt. Please verify with the cashier or merchants prior to making your purchase or payment. These convenience checks cannot be processed as an ACH payment and will be rejected. Transactions are subject to account opening disclosure and your Credit Card Agreement. UICCU reserves the right to refuse any convenience check. Convenience Check Promotion ends 6/30/2024.
